

REVOLUTION ENTERTAINMENT INC.

Hi Ryan,

I would like to thank you and your staff for being our DJ's last night. Everything was perfect and the whole process of setting up initially with the other Ryan to the week prior to our wedding was seamless and it is so hard to find companies in the service industry that have that high level of service like yourself.

The ceremony was great and the DJ came on time and setup quickly. The reception was great too, I had many of our guests who commented that the music that was playing in the background (dinner music) was wonderful and all the songs we chose were played right on time and there were no issues. DJ's were very friendly and helpful so please make sure you let them know that. I'll definately let my friends know about your company when they are looking for a DJ.

Regards,

Jody Toong [jodytoong@yahoo.ca]

Hey Ryan,

I'm not sure if Kim responded to you or not - so figured I would!

The service you folks gave us was fantastic! We couldn't be happier, he was a lot of fun, and did an awesome job of keeping the dance floor busy all night. haha He was even kind enough to satisfy all the drunks who didn't want to go home, by hanging around for another hour or so to keep the party going.

You guys are exceptional at what you do, as every time I've been to a wedding you've done it's been phenomenal. In an Industry that relies so much on word of mouth, you do a really great job of building a reputation that sets you apart - well worth the money. I also want to thank you again for making it possible for us to get the projection screen at (literally) the last minute. That was more than we could ask for, and really saved us a lot of trouble.

We will absolutely be keeping you in mind for future functions, and recommending you whenever we can.

Thanks a lot,

Hi Ryan,

Yes, everything went very well with Andrew and Ty!!!! They did an excellent job!!! I was very happy with every aspect of the entertainment that Andrew and Ty provided on Friday night!!! Andrew and Ty were very kind, funny and always professional!! Andrew kept checking with me to make sure everything was okay with what was being played and the interaction with the guests. That was a very nice touch and I appreciated it!

From the feedback I received during the evening as well as back at the office (yesterday and today), everyone said that they really enjoyed the selection of music played throughout the evening, from the beginning of music played during dinner to the very last dance!!!! They managed to get the last five couples out on the dance floor to dance the last song!!! I was very impressed!!

I will be sending out a survey shortly to everyone asking for their feedback on the whole event (in order to start planning for next years Christmas party), including feedback on the services provided by Andrew and Ty. So as soon as I receive all the feedback from everyone, I will consolidate all the feedback, as well as what I have included in this e-mail note, into a proper feedback/letter of reference for your files and use on your website (if you wish).

In the meantime, I can honestly say that you, Andrew and Ty, had made my first time in organizing a company Christmas party a very easy and worry-free experience with respect to providing entertainment for the event!! It was probably the least stressful part when looking back at all the other areas involved in organizing this Christmas party (venue, invitation, invitee list, dinner, etc.). I am positive, without a doubt, that we will be asking Revolution Entertainment to be part of our future Christmas parties.

Side note: I did catch Ty dancing with one of my co-workers, which I found out right away from my co-workers' boyfriend that Ty is my co-worker's daughter's best friend's boyfriend - they know each other - what a small world! And to make sure that Ty does not get into trouble, it was my co-worker who asked Ty to show off his dancing!! Ty is an awesome dancer!!

**Congratulations on a super job!!!
Be proud!!!**

**Talk to you again very soon!
Take care!**

Hi Ryan,

Andrew was fantastic!!!! All of our guests at the wedding commented on how Andrew (our DJ) did such a great job on selecting music and playing requested music. He even interacted with us and made the dance so much better! I also appreciated the fact that he took our first dance song and some traditional chinese songs (for our tea ceremony) and made it happen without a hitch. I was worried at first because I didn't know what to expect, but afterwards had complete ease of mind when everything went according to plan.

I want to personally thank Andrew for making the evening so awesome (Some guests even stayed right up to closing time with the DJ).

Thanks again for such a great time!

Sincerely,

Natalie

Hello Ryan,

I have to say that Matt and Roman did an outstanding job at the banquet on Saturday. You've definitely got some talented DJs on your roster. They played a good mix, and loved how he handled a special request my friends had. Everybody I talked to had a wonderful time.

**Thank you again for the show,
Lucas McCaw**

Hi Ryan,

The service your company provided was above and beyond any of our expectations. Everyone kept saying how awesome the DJ was and how happy they were he took all their requests right away. It was definitely a busy dance floor!! The DJ took any of my last minute changes with a smile, so that was nice, haha! We has a surprise holla-hoop off with my new husband and his father, so much fun.

I have already had requests from engaged friends who would like to know more about your company so I will be sure to steer them in the right direction.

Thanks again for all your hard work. It was truly a pleasure to work with such a fun, professional and caring company. Keep up the good work!

Hi Ryan.

Everything was great! Andrew was awesome! Everyone had a great time! I got so many compliments on the music! They just loved how Andrew was so enthusiastic and rocked out to every song! Both Tyler and I were impressed on how professional Andrew was. He checked with us regularly to make sure things were going as planned. He also adjusted to the last minute changes we made without a glitch! It was a perfect evening! Andrew did an AMAZING job. I cannot thank Andrew and Rev. Ent. enough for the great service! Hi Ryan,

Marcus was excellent. Very professional, very friendly. My mom loved him, played all her requests! He played a very good mix of new with old. I had a wonderful time and danced the night away. The only downside is that we had to end the night. Thank you very much.

Hello,

Tim and Adam were AMAZING!!!! They were so friendly and upbeat. All of the guests at the party said that the DJs were great and that it was nice that they accommodated the young children there while still playing songs that the older people would dance to! It was wonderful seeing all my very little cousins and my grandparents all dancing throughout the whole night.

Would you please pass on to Adam and Tim that Rob and I both had an amazing night and loved the dance!!! Rob mentioned that there may be a questionnaire that will be sent out - we would be more than happy to answer anything!

Thank you,

Ryan,

Hey there! Thanks so much for checking in! We are leaving for our honeymoon tomorrow and the fam just left, so we're just catching up on emails and things before we head out. I just wanted to let you know, before we leave, that Chris was absolutely FANTASTIC!!!!!! Seriously dude, he was one the BEST DJ's I think we've ever seen! He was so good, he did an amazing job with all the music and was really into it and getting the crowd even more reved up! We will send you all the business we can, especially if Chris is their DJ. We will write a formal letter when we return, but I just thought you should know that Chris was a big hit with our friends, family and us especially!

Have a great weekend!

Cheers,

Hi Ryan,

Sorry its been so long. We've been so busy since the wedding. Everything went amazing. I will recommend Revolution Entertainment to anyone looking for a DJ. Curtis was awesome. He even danced to a few songs with us, even though we didn't pay extra for an interactive DJ. All the music he palyed was awesome, I wanted to dance to them all. I would start walking back to my seat after a song and another good one would come on & I would go back dancing again. He even got my aunts & uncles up dancing. Tell him we said he did an awesome job.

Thanks so much for your amazing service.

Hi Ryan, Nick, and Dan,

Thank you so much!! You guys were awesome! Revolutions really did a wonderful job at our wedding from start to finish. Chris and I were both really impressed with everything from ceremony music to dance music. **Nick and Dan did an amazing job reading the crowd and playing the right tunes! The dance floor was never empty!!** We were told several times by our guests that you guys played great music and had a fantastic playlist. Anything anyone requested you guys had. Our guests, and Chris and I, had a blast at our reception. We both thank you for your time and for making our announcements. We thank you for helping us out with the ceremony and cocktails. **We also thank you for your professionalism and your great attitudes!** Our wedding would not have been the same had you guys not been our DJ's.

Thank you! I would recommend you to anyone for any event in a heart beat! 😊

Good Afternoon,

I am so sorry that this has taken so long to reply. I would like to first of all thank you for everything. From our first meeting right up to your follow-up email, everyone at your company has been amazing. Your company was the first DJ service that we sat down to talk with, and I am so happy that you are the DJ we ended up using for our wedding. Your customer service is amazing and every time I had a question or concern about our wedding, you responded almost immediately.

Cody and I could not have been happier with how you guys treated us. The day of our wedding Josh was in and set up before anyone even got there, he and my MC had everything worked out before we even arrived back at the hall. When he came to introduce himself to us in the back, he was so nice and confirmed that he knew exactly what he was doing and that everything was going to go off without a hitch.

We had a great time, and we had a packed house right until the end. All I heard the next day at the gift opening, is that was the first time in a long time anyone had seen a wedding with so many people still at the dance right till the end. Our main plan for the wedding was that everyone that came had the best time and I know for a fact that your service's exceeded that hope for our wedding. Josh was great, and I enjoyed dealing with him that night. Please pass on our thanks to him and your entire team.

Thanks again for everything and I have already and will continue to pass your name on to everyone I know.

Hi Ryan,

Ditto to everything that Shelley said. Adam was wonderful!!! I met with him before the event and we talked a little bit about the game plan to try and make the majority of the group happy and it worked out and he did a fabulous job. He was fun, professional and listened. All of the comments I have heard were all very positive and they loved his personality and his interactions with the group. Everyone has already been talking about booking him for next year already!

Thank you so much, and please pass along our thanks to Adam as well.

Kindest regards,

Kirsten

Hi Ryan,

Sorry for the late response! Everything went well! I am so happy with your companys service from the planning to the day of the wedding. I didnt realize that both the DJs name was Chris, but the Chris with the shaved hair was who I was mainly in contact with and he did an amazing job! I was so impressed with his service and how he asked me throughout the evening if I was enjoying the music or if everything was ok or if there was something he wasnt playing that I wanted to hear and so on.

The dance floor was always full and my guests wanted to continue dancing past 1:00 am so that just shows how well they did in reading the crowd to ensure that everyone was enjoying the music and having a great time. I would definently recommend your company to anyone I know whos looking for this service. Not sure if you guys are at Bridal Shows in Edmonton but I would suggest that you guys come out to the Bridal show here in Calgary because the DJ companys that were at the Bridal show this year will not be able to compete with you guys. Im just glad that my cousin had referred me to your company as that was the only way I heard of you guys.

Anyway, thanks so much all your help and the excellent customer service and I will make sure to keep you guys in mind for any events I or any of my family or friends may have come up in the future.

Regards,

Janice

Hi Ryan,

Sorry for taking so long to reply, but we just got back from our honeymoon yesterday.

Chris and Chris did a great job! They really read the audience well, and everyone was dancing for most of the night! I was a bit worried with a smaller wedding that people wouldn't dance much, but the Chris's really did an amazing job getting people up on the dance floor!

Thanks again! I'll definitely recommend your company to anyone that needs a DJ in Alberta or BC!!

Hi Ryan,

Well Adam was right, the night went fantastic. When trying to decide what package we wanted with you I was not all that sure we needed the interactive DJ. But boy am I glad we chose to have it. Adam got the crowd going with several dances which he performed with us. He even did the Michael Jackson Thriller Dance, haha.

Being that on that day the temperature was in the 30s I had my doubts that people would dance as most were standing outside. But the songs that he played kept my family and friends, and me I might add, on the dance floor most of the night. Every time I was about to go get a drink or something I could not leave because another one of my favourite songs came on, haha.

Right after we finished with our dinner Adam came over and introduced himself to us. We found Adam to be extremely friendly and easy to talk to, and when people requested a song he played it immediately which everyone liked. Also he chose to play more of the younger kid music, like night club music, later on in the evening when most people were leaving which was great.

When I finally sat down to rest my black feet (not wearing any shoes by now, haha) as I scanned the room I was very impressed to see that Adam was just dancing his heart out behind the DJ table.

Throughout the evening I had people come up to me to tell me what an amazing DJ we had and who he was with. Most people had never seen a DJ like that before, and quite honestly I had neither. Even when we returned from Houston when getting in touch with people and seeing if they had fun at the wedding mostly what they could talk about was the DJ and how much fun they had dancing.

Nathan and I could not be more satisfied that we decided to go with Revolution Entertainment. My mom always told me that the most important part of a wedding is the DJ and she was right. She said if you don't have a good DJ your party never really takes off. Well ours definitely did.

Thank you so much for being a part of our wedding day and please pass this on to Adam even though we already told him enough times at the wedding that he did an amazing job. Why it was so much fun that Nathan and I were there for the last dance. Thank you again for everything that you did.

Hi Ryan,

Kari passed your email to me (guess she figured I was running the show!). Everything went very well for her wedding. Chris was bang on with the cues for the ceremony and went to great lengths to find the music that would get people out on the dance floor. He was very accommodating and we appreciated his cooperation.

I won't have any trouble recommending your service to anyone looking for a DJ.

Thanks again,

Hi Ryan,

Josh was awesome!! He kept following up with each of us throughout the night to see how things were going, and the music was great! We loved being able to pick the songs for the night, and the dance floor was busy the entire night!! The blacklight songs went soooo well, everyone kept the gloves on after for the rest of the night, until 4am! What a party, and you helped make it so. We will definately recommend your services to others. Great customer service, with the follow up calls, and reminders to do the music lists, because when planning the wedding, I definatley needed that reminder, otherwise I would have forgotten to do it.

Thanks so much!!

Hi Ryan,

Our wedding was amazing! The number one thing that we wanted was for everyone to let loose and have fun... it's the worst when a wedding clears out at 10 pm. We had to tell everyone to go home at 1 am when the venue needed us out of the room. A lot of people thought that the music was awesome - our dinner music got everyone pumped up for the dance to start and I don't think the dance floor was ever empty for a song. You guys were great! We couldn't have been happier. At one point, Matt played some type of russian song and a good friend of ours (who is about 6'2" and 240 was crouched down on the floor kicking his legs out in front of him with his wife behind him ready to break his fall). It was too funny.

Thank you so much and I will definitely be referring you to anyone who may ask if I know a good DJ!

Your service was excellent! Kevin & Josh did a fab job!

Because of them my guests enjoyed themselves which made Kevin & Josh enjoy my guests!?!?!?

Did you get that?? Ha ha ha :)

I was surprised some of my guests and myself lasted as long as we did, I think it was due to my guests requested being played all through the night and some really good music. Kevin & Josh had a great feel for the crowd and always kept the dance floor busy.

Thank you so much for all your help and I would highly recommend Revolution Entertainment to anyone looking. Your quick responses to e-mail, friendly service and of course, excellent DJ's made it worth every cent!

Hi Ryan

We really enjoyed having Marcus as the DJ at our wedding reception. He introduced himself to us early on and kept on checking with us throughout the evening to ensure we were happy with how things were going. His choice of music was also very good. Despite our wedding being a smaller event, there was usually a fair crowd up on the dance floor unless they were resting/cooling down or eating. Everyone seemed to be enjoying themselves when they were up dancing.

The music Marcus selected to play during dinner was also very good. It wasn't too loud that people couldn't enjoy their conversations and it created a really warm ambience.
Please thank Marcus for helping to make our reception very enjoyable and fun.

We would not hesitate to recommend Revolution Entertainment & Marcus to others.

Thanks!

Hi Ryan,
Ryan was an excellent dj. He read our crowd perfectly. I would like to request him next year actually, if you can make a note.
There were no complaints about the music at all. In fact, there were comments that he played perfect background meal music as well. Really mixed it well with some xmas carols and other fine dining music.
Thanks for everything!
Have a great Christmas.

Hi Ryan!

It went absolutely awesome! Tyler was so good he thought about us lots and handled the English crowd very well. People commented on how the music matched the type of reception really well and loved him to. SO thank you very much to Tyler and everyone at Revolution Entertainment for all there friendliness.

Thanks guys,

Hey Ryan,

Everything was awesome. Ritch was a lot of fun. I especially like the rule that whatever the bride requests goes on 1st...hehe. We had a blast, and we got great feed back on the variety of music that was played. The dance floor was still packed for the last song! We will definitely recommend you to friends for their weddings :-) Take care....

Ryan,

Andrew was amazing once again! He had so many people intrigued about our new fragrance, and kept people laughing! We managed to sell \$1400 in our new fragrance. I was so tied up in the buzz of everything I had forgot to give him the cheque, I am back in the office tomorrow and will give you my mastercard.

Thanks,

Hi Ryan,

Yes, the night went VERY well. Everyone had a great time, the music was awesome and so was Chris!

Curtis was excellent! He did a tremendous job and we would definitely rehire him. He not only had the dance floor going all night he came and asked me 3 or 4 times if there was anything he could do or play. We were so impressed.

Thanks so much - service definitely at 10!

Hi Ryan,

Sorry for the delay! Seems there's something going around and we're all getting sick. Everything did go very well and we were very happy with Ritch. I thought he did a fantastic job and I believe there were more people out on the dance floor this year. I'd like to also add that a few of our staff were impressed that he went out on the dance floor to teach them one of the line dances. ☺

Thanks again and have a great day!

Hi Ryan,

Sorry its taken me so long to get back to you but I wanted to get some feedback from people at work. Every one loved Chris and had a really great time and I keep on hearing that the music was much better than last year. Everything went really well and people were not ready for the night to end which was great.

When we start planning next years party we will definitely be in touch to see if Revolution is available on the date of the party.

Thank you,

Karen

Hi Ryan,

We were completely satisfied, Mark was great! I heard no complaints from the rest of the group, and of a group of 130 people, that is not easy to accomplish, lol!

Mark had some great "game" music (the price is right theme song) for my "price is right" game, and it totally added to the ambiance of the game!

The rest of the music was great - he played an excellent variety for the multicultural group! I think we had great communications about the "playout" of the evening, and the volume level was fairly ideal as well!

No complaints from me! And I will definitely come to you when I begin to plan my wedding, as well as next year's party! Thanks Ryan! it was the great website too, FYI, that drew in the business! I was googling and found you!

Have a great Christmas.

Hi Ryan,

As usual, the service was top notch. You really do have a great company going for you and you should be proud of it.

I know at least one person asked how to book your services, and the majority of the guests were very impressed that we had a DJ on site.

Tyler did an awesome job. He was set-up in advance and ran the show like a pro!

Kudos again. You guys never fail to impress.

Neil Hoffman [Neil.Hoffman@aglc.gov.ab.ca]

Good Morning Ryan,

Yes, everything went very well and a good time was had by all. Tyler even went so far as to give us updates with regards to the hockey game, which was cause for more joy. He was very respectful in both manner and attire and responded to our variety of requests openly. We even did a Trivia spin-off of "Are you Smarter than a 5th Grader?" and Tyler supplied some background effects for us.

It was great working with you to get this setup and we would have no hesitation in using your services again next year...

All the best to you and yours this Christmas season and in the coming New Year...

Hi there!

Chris Sparrow was absolutely FANTASTIC!! Our guests were commenting all evening on how great the DJ was. He checked in with me all night on how things were going and whether there was anything I needed. Chris was AWESOME! Also, when we had trouble with the Edmonton Country Club's microphone during our speeches, Chris came over very quickly and offered our Best man the wireless mic so that speeches could continue. He was SOOOO great.

Thank you so much for everything!

Hi Ryan!

Wow this totally slipped my mind! (5 months late!) Sorry about that!

Josh was fantastic!!! We knew that a huge part of a wedding reception was the music and he did not disappoint. From the moment I was starting to wonder how are we going to enter the reception to the end of the night Josh was there when I needed him; and I didn't even have to ask! He kept it all flowing. He was dressed very well and acted very professional. He also looked like he was having a good time, which was important to us. :) If he was having fun so were our guests.

Everything about your service made this process so easy. From the first meeting to the easy song set-up online. Also, since we got married in a small town outside of Edmonton it was comforting knowing that Josh was able to drive all that way and be there not on time but early!

We appreciated all the things Josh did for us. He helped with the microphones, played the perfect amount of games, and got EVERY one of our guests (all 200) up for the conga line. It was awesome! He also followed my "Do Not Play List". Thanks Josh for not giving into my crazy cousins obsession with the Spice Girls. :)

You guys are great! I am so glad Josh was our "DJ man". Thanks again, everything was perfect!

Hi Ryan,

Thank you so much for following up. Michael and I were extremely pleased with Kevin and the service that he provided. He was very professional and kept the dance floor 'hopping' all night. Any questions or concerns were directed to our MC, Cynthia, as we had requested and the night was seamless. We appreciated him respecting the 'do not play' list unless one of us specifically asked that a song from that list be played (the 'Ontario' guests really, really wanted to 'line dance' to Cadillac Ranch and us asking him to play it resulted in about 30 people on the dance floor). We would recommend Revolution to any of our friends. :-)

Sheri and Michael

PS. We wish Kevin all the best on his 'big day' in Vegas this weekend. :-)

Hi Ryan,

Really well is an understatement. The service that Andrew provided was second to none! His professionalism and concern for our well being were amazing!

In our opinion a DJ can make or break a party....and Andrew definitely made it! Everyone at the reception commented that it was the party of the century and they were amazed at how good the DJ was. We will recommend Andrew and

Revolution Entertainment to everyone we know. We are now currently trying to organize another event....just for the sake of having Andrew come back and DJ.

Please extend our most sincere thanks to Andrew! Thank you as well Ryan, you have an amazing company!

Yes! Everything was fantastic on Friday night! The kids had such a wonderful time and the light show was very cool!!! The guys were GREAT with the kids!!!

This is my last year at Wes Hosford (moving on to Jr High now!!) but I will do up a raving review for you guys in our newsletter and in the Family Dance binder, and hopefully whoever is in charge of the dance next year will use you guys too! My daughter was helping me out on Friday night and she goes to FR Haythorne and mentioned to Ryan Hargreaves that Rev Entertainment puts on a MUCH better show than whoever does their dances, so if she gets a chance she will plug you guys there, as well as at Bev Facey where she is going next year, and plans to be on the student council.

Great job!!!! Thank you very much!!!

Hi Ryan!

Everything was wonderful. Everybody was very pleased with the music your DJ played.

I received lots of compliments for the party. All the people there liked everything. The music was great. Chris knew how to involve people in games and dance contest. He had people on the dance floor all the time.

As I talked to Chris at the end, you should incorporate some Karaoke in your program, especially for 50-70 age range. I know CoSyn has some mini celebrations from time to time and they really enjoy this kind of show. This is just a suggestion.

Hi Ryan,

My apologies for not getting back to you sooner - I have been in Suffield on a training exercise since the beginning of April and internet is still intermittant. I wanted to pass on my sincerred gratitude for the excellent DJ services Revolution Entertainment provided for our annual Moreuil Wood Dinner Dance event at the Fantasyland hotel on 28 March 2009. Both DJ's were extremely outgoing and ensured the night went seamlessly by facilitating the door prize draws and the buffet line. They were very professional from the moment they arrived for set-up. Chris and Darren read the crowd very well and played a good variety of music. In previous years, very few people were on the dance floor, however, this year the dance floor remained packed until the end of the event - a true testament to the DJ's skills.

Again, thank you very much for the outstanding service. We will definitely recommend your company to other Regiments.

Thanks for your hard work and please pass on our gratitude to your team.

Hi Ryan,

Your DJ was fantastic, we are very happy with all the music choices!! It was better than we imagined. He was very respectful and played for the crowd just as we asked. It couldn't have been more perfect. We would definitely recommend your company! We have been to alot of weddings and myself personally, I have seen DJ's make or break the reception. Everyone had a great time.
Thanks so much for making our day that much more special!

Kind regards,
Jen and John Ludorf

Hi Ryan,

Everything went really well. Matt was great, he was on cue for all the ceremony and reception music, took requests and made everything run smoothly together. All the music flowed really well and the guests were complimenting us on our selections all night.

Mandy and I are extremely happy with how our day went and Revolution played a big part in that. So thank you very much for everything.

Best regards,

Hello,

Last week I was at a wedding at the Hunters Green Golf Club in Edmonton and the DJ was awesome! His name is Anton (he is from Revolution) and I would like to request him for my wedding in July.
We are getting married on July 4th at the Union Bank Inn. (Amanda Mundorf and Ben Sacks)

Thank you.

Hey Ryan,

Everything went great. Chris was awesome!!! He did such a great job! He kept the crowd going all night, I don't think I seen the dance floor empty at all. He didn't play any lame or cheesy games, but he was very interactive with the crowd! He kept coming to Chris and I asking if there was anything else that we would like. We were very happy with everything that he did. Everyone at our wedding mentioned what a great job that he did! Please give him our sincerest thanks!!

Kudos to your company you have a great team! I will definitely be using you again for entertainment we need and I will be sure to pass around your name!!

Sincerely,
Kelly & Chris

Hi Ryan,

We would really like to thank you and Matt for such a fabulous experience! Everything went really well, people had a great time, and Matt did a spectacular job!! We really have to extend a huge thank you to him for all his work, he went above and beyond to make sure our guests had a good time.

We will certainly recommend Revolution DJ to our friends and family!

Thank you again, and please pass along our thanks to Matt as well,

Sheena and Steve Gauthier

Hi Ryan,

I know Garrett already spoke to you on the phone, but I just wanted to reiterate how wonderfully our wedding turned out thanks to you guys.

From the beginning of the process, it was simple, fast, and fun to plan our wedding music. Everything was arranged well in advance, and we liked being able to call with questions at any time. At the wedding itself, Andrew did an amazing job! We made a mistake or two with the information we gave him to work with, but he handled it very smoothly and made sure everything went well. He got in there and danced up a storm, really encouraging the guests to get in there and have some fun, and was successful in getting people up to dance who we never thought would participate. He really made the night a huge party, and everyone keeps telling us how much fun they had thanks to him and his music. The table setup was tasteful, blended well with the venue and quite a few people picked up business cards from him at the end of the night.

When we need a DJ again, we will certainly use Revolution and will request Andrew's lively presence at our event. We will also gladly recommend your services to our friends and family.

Thank you so much for making our big night a big hit!

Ryan!!

The event was amazing!! Laney & Ryan had a great time. I've heard absolutely no complaints from anyone. The sound, the set up and both Dan & Tyler were perfect! I'm so excited for you guys to do our Christmas Party in January. I would and will recommend Revolution to everyone I know in the event industry or anyone that just needs a fantastic DJ. You guys were flexible, prepared and it made the night a perfect one.

I have to say, I was also incredibly impressed that you came out to see us to ensure the night was going good. That's beyond amazing service! In previous years, I only ever knew the owner / managers of the companies we used by phone. Your personal service definitely separates you from all the others.

I'm looking forward to booking with you sometime in the near future to get a ride in that amazing limo you just got. I will be in touch!

Hi Ryan,

Derek hit the nail on the head. It was an awesome day for everyone and especially so for us. Couldn't have asked for a better set-up for the ceremony and dinner/dance. He had everything organized well in advance and didn't have to remind him of anything. He's very professional, upbeat & fun! There were a couple of moments wherein we surprised him with some impromptu dancing during the speeches and he was very quick to react. Well done!! We will definitely recommend your company and Derek to anyone having an event in the area.

We'll send some pics of the event as soon as we get them back.

James did an awesome job! I do not think that the dance floor was empty at anytime throughout the night. He played what everyone wanted to hear and kept the party going. I was really happy with that! My parents said the same thing, they were really impressed and James honestly seemed to enjoy what he was doing which makes people even more responsive to the music that is being played. My niece even got the conga line going and they congaed around the DJ. It was great!!

Hi Ryan,

I wanted to provide you with feedback from the past couple of weddings at the ECC that have used your services.

YOU GUYS ARE AWESOME! Your DJ's are always so well prepared and are very thorough in asking for details about the wedding day. I have found that your staff always take it upon themselves to find out more detail about the bride and groom or the event itself.

On Saturday August 15th, your two staff Mark &...? (sorry I forgot the name!) were unbelievable. I was in a time crunch to have the dining room set for the wedding and they played upbeat music and helped haul chairs from the patio to the dining room to make sure the room was ready to go on time. They were wonderful to talk to and very professional & fun.

I love working with Revolution. Revolution makes my job easy! There is a lot to be said about working with a DJ that is low maintenance. Some people come in asking for the most random things, and Revolution always shows up prepared and ready to work!

Thank you, thank you, thank you. You and your crew are sent from heaven!

Hi Ryan!

Our night was AMAZING! We had a fantastic time, and I had people telling me all night that it was a blast. My friends said it was the most fun they've had at a wedding. I wished I could have been on the dance floor more, but I know when it's your own wedding, most of the night consists of picture taking and conversation. Your company is one I would recommend to anybody and we're very thankful for the way it went. It was nice to have your DJ ask me often how they were doing. I've never heard of a DJ taking the time through the night to ask his clients if they're satisfied. You guys are "top notch". Thank

you muchly!

Hey Ryan,

Thanks so much for your follow up, we wanted to send an email to let you know how it went.

Adam was AMAZING right from the beginning. As soon as we got there, he introduced himself to both Brandon and myself and let us know that he was there to make our wedding wonderful. The entrance songs were amazing. All the required songs were played in order, and Adam was right on the ball with the cake cutting, garter toss and bouquet toss. The dance floor was packed from the very first song to the last song, and Adam was there making sure that people were dancing and having an awesome time. I cannot count how many people commented on how good the DJ was and what good the songs were. Adam definitely made the reception that best one ever!!!! I will not hesitate to recommend Revolution, especially ADAM and his assistant.

Thanks so much,

Hi Ryan,

The service was absolutely amazing! From the very beginning we had a very positive experience. You were helpful and accomodating with booking everything and the way to pick music and organize the event is extremely easy (which is so important when you're trying to plan everything.)

Mark was fantastic at the event. We had some confusion regarding a projector we thought we had booked from the hall and when it turned out it wasn't available, Mark was quick to make one available.

We had several people comment to us how fantastic our DJ was- he did an excellent job of varying what was played so everyone there had something they could dance to. This is the second event that we've been to where Revolution has been the DJ's and both events were wonderful.

Thank you so much again for everything and please keep up the amazing work!

Hi Ryan,

Sorry it took awhile to reply, Colin & I were out of town on our Honeymoon.

Anyways, Andrew was correct. You guys were awesome! You totally made the reception! Our dance floor was never empty and all our guests were commenting that all age groups were being included in the music that was being played. It was also great that the DJ's were able to play the guest's requests right away.

Andrew and Kylie are also to be commended for getting down with ALL the music they were playing.

I must also give a HUGE thanks to you guys because our slide show music had a malfunction and Andrew was able to play the song in the background on your system while the slide show played on ours. It really helped!

Colin and I also appreciated the fact that the DJ's were coming and 'spot checking' with us throughout the night. It really made us feel like an important customer.

Again, a major thanks to you guys for helping us create a magical reception. We will definatley be recommending Revolution Entertainment to all our family and friends. And, should another occasion arise which requires a DJ - your company is first on our list. You guys totally rocked it!!!

Thanks again,

-Heather & Colin Inman

Hi Ryan,

We were very pleased with the DJ service. It was just what we were looking for. Cory played the music we had requested and the dance floor was busy most of the night. He checked in with us several times throughout the night to make sure we were happy and was very professional. A very enjoyable night, thank you!

Hi Ryan. Sorry for the late response - we just got back from Maui!!

Jason & Chris were excellent!!! I had a lot of compliments about them from my guests. I attach a couple of photos a friend took - in case you need blackmail - lol. Please let me know if you have troubles opening them.

Thank you very much for working with me!! They made my reception one that will never be forgotten!

Hi Ryan,

Sorry it took me so long to reply - we took off on a 2 week honeymoon and I left the computer at home! Anyway, back to reality now.

Andrew was absolutely fantastic. We had the best party I could have asked for. Andrew mentioned to us that he had never seen a wedding group dance as much as ours did! He kept checking in to see if he could do anything better, and even did some break dancing in our circle! I was thoroughly impressed.

Thank you so so much,

Hi Ryan..

My apologies for the late response. I finally have time to check through my email. Everything went great and the DJ's for the wedding did an awesome job!!! Everyone from the wedding had a great time and hopefully the DJ's had a good time as well. Kerri and I appreciate all the work that Revolution DJ did for our wedding.

All of our music that was requested that night was played and the entrance music for the bridal party was on time and correct. Everybody from the wedding mentioned that one of their favorite things was the different types of music that was played that night. I especially like the customer service and how easy it was to discuss our music plans with you. Thank you for the excellent customer service and patience during the planning of the wedding.

Thanks again and keep up the great work!!!

Hi Ryan,

Kyliee was awesome, I couldn't have asked for anything more from a DJ.

He was very great with all requests, was terrific at keeping a good line of communication with myself, Jennifer and the rest of the wedding party.

Most importantly he was professional, fun and helped our guests to one hell of a party.

You've got a great employee/DJ! Please pass our sincere thanks to him for making our night rock.

We'll definitely refer your service to all our friends and family.

Hello,

Yep, everything went really well. The limo was beautiful and the driver was awesome. Thank you so much. I was also wondering if there was a pair of brown prada sunglasses left in the limo--it should have been left in one of the cup holders by the music control. They were mine! I hope that they were left in there. Please let me know if they turned up. Talk soon!

Hi Ryan,

It's 6 months later and people are still talking about how fabulous Andrew and Johnny were!! :) Sorry it took me so long to find this email, it was buried in all of the 'wedding' spam I had gotten while we were away, and I didn't think much of going through it until now!

One of my bridesmaids is actually getting married on July 3rd, 2010 and was thinking about using you guys as well at Rafter Six Ranch - I will have her get in touch with you for sure! (Her name is Holly Kowalchuk)

Thanks again Ryan!! :)

Hey Ryan,

Sorry for my late reply. It's been a wild and crazy last couple days trying to settle down after a wonderful weekend.

In regards to Jason, he was fabulous! He had the whole place buzzing all night long, and we didn't actually roll out there until after 2am. He did a fabulous job integrating some of the Ukrainian music we had picked out with the the regular dance tunes. The dance floor was never empty, which is exactly what we'd hoped for.

We really couldn't have asked for a better result from our DJ and neither of us would hesitate for a second to reccomend your company to anyone looking for a DJ service.

You have been a pleasure to work with, and we'd both like to sincerely thank you for making such an important aspect of our wedding as memorable as it was!

We'd like to send Jason a card to thank him for a wonderful night. Would you be able to pass along his contact information or can we send it to him via Revolution DJ?

Again.....thank you!

Hi Ryan,

Everything went excellent! We were very impressed with the service and Chris' ability to get everyone on the dance floor. We've received a lot of compliments on having a really rockin' party, and I'm pretty sure everyone enjoyed themselves. We especially appreciated the tunes Chris played for one of our groomsmen at the end of the night. All in all, Michelle and I were both extremely satisfied with everything.

Thanks, and we'll definitely recommend Revolution to our friends.

Hi Ryan,
Thanks for following up- our entire experience with Revolution entertainment has been so refreshing. In planning our wedding some of the vendors we dealt with were disorganized and flat out obnoxious but you were the complete opposite. Leading up to the wedding you did exactly what was agreed upon, you were professional and you were organized. As for Andrew, I can't even begin to tell you how fantastic he was nor can I count the number of people that asked where we had found this gem. Andrew was so professional, so full of energy and he went so far above and beyond our DJ expectations. I even had several people ask me if I knew him from before or if he was a family friend because of the way he meshed in and interacted with our guests. He got the party started and kept it going to the very end. Please thank him for us as we so appreciated having him at our wedding.

If you ever need a reference for your services, Vaughan and I are more than happy to provide a glowing one!

And thanks again for checking in!

Hi Ryan,

Thanks for the follow up. Saturday went really well - more people danced (which wasn't necessarily actually a lot, but it's all relative) than I've ever seen before at a KMSS event, and there were people on the dance floor for the majority of the night. I had told Justin that it was a difficult crowd and no one would dance (as is normally true), but they made me a liar! I don't know what Justin did, but it worked!

This was our third party with Revolution, and I like dealing with you guys in the planning stages, and all three dj's we've had have been great!

Thanks for everything!

Hi there,

I just wanted to let you know how great your DJ Chris was at my brother's wedding April 3rd at the Ranchouse in Cochrane Alberta. I was a bridesmaid at the wedding and was at the venue when Chris arrived. From the moment he introduced himself he proved to be a very courteous and accomodating professional, with awesome energy! It was very apparent that he loves his job and working with people.

I was showing a slideshow after dinner and needed to coordinate the timing of music during and afterward. Chris was fabulous, and everything went off without a hitch! During the dance he was also great at reading the crowd and playing music that people wanted to dance to. From the 14 year olds to my 69 year old mother, everyone had a fantastic time!

As you know a good DJ can really make or break a wedding reception. Thank you Chris for being such a wonderful DJ and helping to make my brother's reception such a fun night!

Christine Ash [chrisea23@yahoo.com]

It was awesome! We only had 1/2 the turnout we were expecting, but a great group of people none-the-less, and your dj's were great! They were both so accomodating & professional, and knew how to play to the crowd to keep the dance floor busy- we were all VERY impressed! Thanks for everything, thanks to James as well- he was great to work with to get things booked and confirmed- we will definitely be giving you a call for future events!

Ryan!!

OMG Chris was AMAZING!! It was a pretty stoic crowd and the ladies who were hosting the party didn't really "want" a DJ but Chris had everyone dancing. The music he played was bang on! The crowd just sucked it up!.

The staff at the Butler that I was working with that night all commented in the kitchen that they wished they were guests of the party because everyone was having so much fun and that the music was awesome!.

I'm at Job #1 today so haven't received feedback from our clients on how they thought the party went but when I left at midnight I had asked Chris to stay if he could. Everyone was having so much fun!

Thank you thank you thank you!! I love that I finally found a great DJ company...I look forward to working many more events with you guys!

Just getting some stuff done that I had put on hold for a few weeks while the gala planning was in full swing.. Chris H. was excellent in every way - great with us, with the guests, choice and read of the crowd for music, interactive in every way...

Couldn't have asked more of him. He is to be recommended. Very positive guy willing to do anything to please the customer!!

We - I and the guests and the committee - would be extremely happy to use your services for any future event.

Much appreciated. You guys run an excellent business.

Thanks for everything - our gala was a resounding success and Chris played the best stuff until the wee hours.

Feel free to use me for any future recommendations you may need for potential clients.

Cindy [cculmer@gmail.com]

Hi Ryan,

Kyle and Eric were excellent! They were professional and played all the songs that I expected in the way that I expected. They were also friendly, and I felt at ease speaking with them and making small requests of them (for announcements, etc.). Two of my friends in particular felt super comfortable with them enough to request songs from them long after most of the guests have left. I greatly appreciate them accommodating these two while they had their private dance party in my empty banquet room. :) Kyle and Eric never strayed from their duties, even when I wasn't around.

Although I'll send your company a thank you card, please pass along my thanks to them. I am very happy that they were part of my wedding. Even though they were there for us, I hoped that we did enough for them.

Thank you very much, Ryan, for your own professionalism and for operating a business with such top-notch service.

Best wishes,

Please pass on our appreciation for their professionalism and awesome job they did. Checking with me to see what they could do to make it more special for me was a very nice touch. Thank you. I had an absolutely wonderful time, and as they say one must have good food, good music, and lots to drink. Your team did a wonderful job of providing the music. Thank you! I would like some feedback from Justin and Dylan on the food though, I used a mother daughter team that are just starting a catering business and so they would like some feedback. I hope the guys will provide an honest response. I also provided the managers of the hall with your name and contact information so that they can give it to other potential clients - I hope you don't mind, but I believe in word of mouth advertising when you receive such fantastic service. So again Ryan its been a pleasure doing business with you and thanks.

Hi Ryan,

Chris was awesome!!! We had the most incredible wedding EVER at the Ranche, and Chris definately played a huge part in that. He offered to stay and play music through the dinner and reception although not in his contract, but of course we offered him dinner for that portion. :) He certainly picked good music to go along with the energy in the room and kept everyone going until the wee hours of the morning. We loved his energy, and everyone complimented us on him - NICE WORK CHRIS!

Although this may have been coincidence, my stepdad gave a speech and a "good" intrepretation of Fools Rush In by Elvis, and it was perfect that Chris happened to play this song later in the night. It was great to see that he was definately in on the fun, and we loved every part of our ceremony, dinner and dance. Thank you so so much for all your hard work, humor and enthusiasm. Revolution is the way to go!

All the best,

The New Mr and Mrs Robyn and Brad Ashkin [robynlmelnychuk@gmail.com]

Hi Ryan,

Revolution Entertainment was fantastic!!! Matt was so amazing and I don't have anything but good things to say about him. Even when one of the guests got a little angry at the music that was played and decided to throw Matt's dinner plate Matt kept super calm and just respected the guests (very rude guest, he wasn't dancing so I don't really know why he cared so much about the music since Matt kept the dance floor was busy all night. The girls all thought he did great!) He also stayed later to help clean up which was above and beyond what he needed to do. He was so sweet, kept the dance floor busy, took lots of requests, changed the music if things got slow... he was just amazing.

He was so fantastic and we were so lucky to have had him as our DJ that night. I just can't say enough about him. Thank you so much, he was amazing amazing amazing and because of him I will be recommending him to all future friends of mine for weddings!

THANK YOU! Matt deserves a HUGE recognition for this... he was phenomenal!

Shannon & Clint Kassian [Young.Shannon@arthomson.com]

Hi Ryan

Thanks for checking in with me.

Everything went great on Thursday. We have had a lot of positive feedback from the students, which is the most important thing! My son was impressed that they actually played the songs that he requested.

I am sure that Tim, Chris and Tayler told you of our visit from the fire hall. Apparently the smoke/fog machines in combination with poor ventilation in the church basement, set off the alarm. The kids thought this very cool, especially the girls who were able to have their photos done in front of a fire truck, party dresses and all! The guys offered to play longer, which was kind of them!

All in all, a great success. This evening I am attending a school council meeting and will pass on your companies information for future school dances.

Thanks for taking care of HE Beriault!

Hi Ryan,

Everything went super well! It was a great day and nothing went wrong! (Can you believe it?!)

Pat did an excellent job! He was very professional and introduced himself to my groom and I. He kept checking with me the entire night to see how it was going and to ask my permission to play certain songs. The mix of music genres was perfect! He even came up with an idea for me to have a line dance-off with the bridal party and took initiative to announce it over the microphone. I am very impressed with Revolution Entertainment!

I was surprised when you came to say hi. I thought that said a lot for the company that you care about your clients!

Hello Ryan,

The DJ service was awesome! Aaron was a super friendly guy and he was very accomodating. Did a great job for background music as well. Definitly had great feedback from many of the guests as well. We would reccomend you for sure. Thanks for helping make our special day complete!

Jazmin Holowinski [jazzybaby_26@hotmail.com]

Everything was AWESOME! The driver was super nice and very accommodating since our photographer was picking new locations on a whim (he even went so far as to go get us snacks while we were shooting when a couple of the groomsmen were getting hungry!!). Your DJ kept our reception going all night. He asked us several times throughout the night how we liked the music and if we had any suggestions - best service! Even had a few suggestions for closing out the night and was able to find some odd music on the fly (my husband does the BEST Carlton dance - Fresh Prince... and it's been years since he's done it. THANK YOU for getting him up there and moving for us!!) It has been an absolute pleasure dealing with you, and we couldn't have asked for more!

Hey James,

Everything went really well!!! Andrew was awesome and everyone had a great time. We will definitely recommend your services to all our buddies who are still to get married.

Thanks again for everything and send our thanks to Andrew as well please.

Ryan,

I just wanted to send you a quick Thank you for everything you and your staff brought to our wedding. Chris absolutely made the evening with his energy and enthusiasm. Everyone could not stop talking about how fantastic he was at his job. People even said they enjoyed just sitting back and watching him because he would be dancing behind the table as he worked! He truly is an asset to Revolution and is beyond great at his craft. He was more than helpful and attentive to everyone's requests.

As for the ceremony – we are SO glad we had you there. Chris timed everything perfectly and had all the right music at the right time and totally put me at ease because this was the one part that I was a slight bit worried about because we had everything laid out so specifically.

So often you attend events where the DJ is mediocre and does a great job at killing the mood – Not you guys!!! Chris had everyone dancing from 6pm – 1am and that is the only thing we wanted for our reception... We are very casual and didn't want a stuffy sitdown reception and Chris made sure that did not happen.

There is a girl I work with getting married next year and I will MAKE her call you... Alana & Neil Shah (Stinson) – who I work with – recommended you and it is only right that I pay that forward to our co-worker so she can have an amazing time.

On a more serious note – I'm am terribly sorry about not giving Chris the cheque on Saturday night – Holly put it in the mail the first thing this morning so hopefully you should have it tomorrow or Wednesday. I got home and remembered I had it in my wallet (when you're the groom you're not buying a single drink all night so no need to break out the wallet) and have been stressing about it since Saturday night so I apologize emphatically. Please give me a call if you have any issues and maybe just fire me a quick note letting me know you got the cheque.

Thank you so much for singlehandedly making our wedding a success... and please give our warm thanks to Chris – you are extremely lucky to have him as an employee!
All the best in the future!

Hi Ryan,

I just wanted to let you know that I recommended your D.J. service to my daughter Mallory & Kyle for their wedding this passed weekend. As with our experience at our Monarch Supply Christmas Party, we were not disappointed. You have some great people working for you and the service you provide is fantastic. We were pleased with every aspect of it. Thanks so much and again if the need arises you will be my first choice for our entertainment requirements. Have a great day Ryan, and thanks again! Keep up the great work!!

Sorry for the delay in getting back to you. I was out of town last week.

Everything went amazing with Kyle! He was more than we could have asked for. He did a great job of taking requests and playing music on his own to get the crowd going. He worked so well with our M/C and was so polite to everyone. If I ever need a DJ again I know who to call.

He kept the flow going and changed it up or did games, or whatever else to get people on the dance floor. Hi James,

Thank you for your follow up email. Dave and I had a wonderful experience with Chris as our wedding DJ. He was the perfect level of entertainment and fun without being cheesy or too over the top. We have attended several wedding where we found the DJ too goofy or silly and I am happy to say that we did not have one of those DJ's! I would highly recommend Chris and your services to anyone looking for a DJ for their event. Chris was a professional from the moment he arrived to the moment he shut the party down. Everything was absolutely fabulous. we and everyone else had a great time. the dance floor always had people on it and the music selection was great. Chris even made rounds to the tables to ask people if everything was ok and if there was anything that they wanted to hear, which i thought was wonderful. He paid attention to the crowd and how they reacted to different genres of music and did an awesome job at switching from one genre to another to accommodate everyones tastes. And i know that the kids had a great time up on the stage dancing with him and learning some new moves and the others guest enjoyed watching him. I had several people ask where we got our dj service and comment about how great it was. I have even been told that one of my bartenders has now booked through you for their wedding. I will definetly recommend you services to others. A week later we are still getting comments about what a fun time people had and how wonderful you service was. I would also like to thank you guys for being so wonderful during the planning stages of our wedding, i know i called several times and every time you were very pleasant to deal with and very helpful. It is hard to express in words just how great of a time we all had, it was absolutely the best day of our lives and we had a blast. thank you so much.

Thank-you so much and please pass our sincere gratitude on to Sam.

Hi Ryan,

Kyle was great! He was standing the whole time and he looked like he was having fun which made others feel compelled to dance and have a good time as well. The music selection was great and I'm glad he stuck to our lists and respected our requests. He would check up on us every now and then, yet had great timing when doing so (meaning he didn't interrupt us). He was nicely dressed and very professional. I would strongly recommend this service and particular DJ to anyone. I didn't have to worry about a thing and he got all the special songs right. Thank you very much for this exceptional service!

Jolene Reyes [jole_129@hotmail.com]

HI James,

Your DJs did great!! They were super friendly and came up to us to introduce themselves and let us know we could ask them for whatever....they were very concerned with making sure they were playing the music we wanted them to play. They checked in with us at a few points..once when no one was dancing(since most of our people need to have a few drinks before they will dance:) just to make sure we were happy with the music (which we were!), then they also let us know when they were going to play our 'special' request, which was great because I had time to make sure my groom was near the dance floor for the song. They took requests from other people as well. They were overly helpful and even cleaned up a spill on the dance floor. Near the end of the night we had quite the circle of dancers and singers and they kept picking awesome songs to keep the circlce going. Please tell them they did a wonderful job and we could not have been happier with their service!

Thank you so much,
Angie [amdean@ualberta.ca]

Hi Ryan,

Everything went amazing with the service! Chris S. was great and we couldn't have asked for a better DJ!!! One thing I was super impressed with was everytime I requested a song he played it next! Hi Ryan,

Thanks for your email, we just returned from our honeymoon and are catching up on all our emails! Matt was

an excellent DJ, not only did he play a huge number of songs from our playlist, he also took suggestions on the order of the songs (more country at the beginning) and was even able to track down my obscure first dance song when I forgot my iPod at the hotel. We couldn't have asked for more!

Thanks so much for everything!

Dear Ryan,

James and Jocelyn did a fantastic job at our wedding!!!!

Everyone was on the floor and dancing, guests from all age groups. Even some of my great aunts and uncles who never dance anymore. They knew exactly what to play to keep the party going until the last minute. Many of the guests commented on how great the DJ was. They were both high energy and totally accommodating to our needs and requests. It was a delight to work with James not only on the big day but during the planning meeting as well. James and Jocelyn are fabulous DJ's and I will be recommending Revolution Entertainment to everyone I know.

Hi Ryan,

I'm so sorry for not getting back to you sooner, but we were away for a couple of weeks for the honeymoon right after the wedding and have finally gotten home and had a chance to reply to emails.

Anyways, I wanted to let you know that we were extremely pleased with Chris H's services during our ceremony and reception. He was very friendly and approachable, and made a point to come over and introduce himself to both myself and Brian (the groom) as soon as he had the chance. His music playlist was fantastic and we had guests telling us over and over throughout the night and the following days how great they thought the DJ was (including the music selection, his getting the crowd involved by being entertaining and dancing along with the music).

We would certainly pass along a recommendation for Chris H to any of our friends.

Hi Ryan,

Everything was fantastic. Brittany and Nikita did an amazing job, they were extremely professional, but also a lot of fun. The only problem we have, is that in the chaos of good-byes and such, my husband thought that I was tipping them and I thought he was tipping them, and hence no one did. Is there some way, either by coming out there or to send something, so that we can show them our appreciation for there hard work. Please let them know we had a blast and we will somehow

make sure we get something to them. Thank you for everything, and I would definitely highly recommend you to anyone.

I don't think there was a single moment that there weren't people on the dance floor. We danced from the start right up until the end. We are still getting compliments on the music. I'm glad that you were recommended to me by a friend, and I will be sure to recommend you to my friends that get married in the area, in the future.

Thank you so much!!!!

Morgan and Corey Kyle [daydreamer18@hotmail.com]

Hi Ryan,

You beat me to sending an email letting you know that Kyle did an absolutely awesome job. The only time the dance floor wasn't full was when he had to play a request that just wasn't a really danceable song.

He continuously came over to ask how he was doing and if he could do anything to make the evening more enjoyable or if we wanted a special song played. He represented your company in a professional manner and was very good at getting the people up on the dance floor. In fact he even played a couple more songs as he took down his equipment as our guests were still up on the dance floor right to the very end of the reception.

Having you come out to see how things were going was something completely unexpected. You run a great organization and we wouldn't have any problem with recommending you unconditionally. Anyone that chooses your company can count on having everything go smoothly, seamlessly and professionally.

Have a great Thanksgiving. David and Tracey [david.buffam@thermofisher.com]

Hi James,

Yes everything went really well. Kyle was keeping in contact with us all through the night to ensure everything was going along just how we had planned. Dear James,

I wanted to take this opportunity to thank Revolution DJ for doing the music for our wedding. We were VERY happy with Chris. He was on time, very professional, receptive to our feedback and the crowd regarding music, making announcements for us etcetera. Most of all, he was really fun! He was bopping away behind his setup to all our songs and one of the guests even asked him to dance with her. We

got lots of positive comments from our guests about how great our DJ was, and people were dancing until last call!

Thanks again,

Thanks for the follow up!**

We had an absolute blast at the wedding. Not only did your company surpass our expectations, Chris H. was the BEST DJ EVER!!! People kept coming up and asking us where we got our DJ from and if we knew him before the wedding. The dance floor was never empty! It was simply amazing.

Thank you again for everything. If you ever need a reference, we will be more than happy to provide you with a great one! We will also be recommending your company to anyone who needs a DJ.

Thanks again to you and Chris H. for making our wedding so special and so much fun!

Take Care,

Amber & Jason Szekely [szekely-leyswedding@shaw.ca]

Hi Teresa,

We had a wonderful wedding and lots of positive comments. Tim did a great job and we really enjoyed working with him. The only problem we encountered was that the music I had chosen to play alongside my slideshow, did not work. Which was strange because it worked at your office when we tested everything with James. Tim however chose some songs to play during the slideshow, and it was a fine way to fix the issue.

Great company you guys have and I will certainly be recommending you to friends.

Take Care,

Aneta [aneta_sygula@hotmail.com]

Good morning,

Chris S did an amazing job, we had people asking where we found him as he made sure the dance floor was always packed.

We were having audio problems with our slideshow music as it wasn't playing. We just cued him about the song changes and when they would happen and he made it seamless.

Revolution was a absolute joy to deal with and for any events I am involved in planning, I will use revolution and request Chris S. As he was the best dj I have seen at a wedding.

Thank you once again,

Kyle Snihur [kylesnihur@hotmail.com]

Hi Ryan,

Our DJ for the wedding on October 10 was FANTASTIC. We have had several comments from guests on how great he was. Even for our wedding party dance where we had a slower song quickly change into a fast one, he was ready to go with colored lights once it kicked into high gear. When things were wrapping up with dinner and the children were starting to get a little antsy, Andrew asked the wedding party if the chicken dance would be ok and he led them through it so that they could get up and move a bit before dessert. Andrew was way above and beyond our expectations and we continue to recommend Revolution to everyone we know that needs a DJ. Thanks so much for checking in!

Carolyn [thomcj@gmail.com]

Everything went really well. Anelyn made sure that we were happy with her service every step of the way. She even checked in with us before having a congo line. Please thank Anelyn for us.

Dominique Ruhl [dominique.ruhl@gmail.com]

Everything went great Ryan! Andrew was a terrific DJ and really helped to get the guests up on their feet! Most of us could barely walk the next day because our feet hurt so much from dancing so long :) Great time! I would definitely recommend you in the future especially if Andrew was available!

Thanks for the awesome time!
Melissa and Jamie Starke [mjrupp@gmail.com]

Hi

Your service was fantastic. I was not in the limo but heard it was great. Nikita was a fabulous DJ. Played all the right music and was able to read the crowd. Everything was well coordinated. I would certainly refer your company as a matter of fact friends have a daughter getting married next summer, and they took a business card. Everyone kept telling us it was the best wedding they had ever attended.
Thanks again

Diane (mother of the Bride) [spenrathdi1@hotmail.com]

Hi Ryan,

I could not be happier with your service. I found everything to be very professional - straight from James at the office to Nikita at the ceremony.

Nikita did an outstanding job and really knew how to read the crowd and when to play what song. He was also bang on with songs we had chosen for the ceremony and reception.

Please pass on my thanks to Nikita as everyone there was telling us what a great DJ we had. Very personable guy as well!

I will definitely be passing on your info to anyone looking for a DJ service in the future.

Thanks a ton!

Mark (and Ashley) Feader [mfeader@hotmail.com]

The day was great, and Chris's service topped it off! He was right on time with what we had requested, and when we needed something announced he was right on cue! I loved how he got the crowd going for the bouquet and guarder toss! He assisted my dad's slide show by turning the audio up for the video part of the slide show, then turning it back down again when the music came on. He played some great tunes, and kept the crowd on the dance floor. What a great night! Couldn't have asked for more! He was a complete gentleman:) Thank you very much for your services, I'd recommend them to anyone!

Chandra & Bryan [freestonphotography@gmail.com]

goodmorning ryan,

chris and dave were great. a special thank you to chris in helping out with the door prizes, there were so many names that needed to be announced. dance started a bit late, but it was awesome that they stayed longer so we can finish giving out the prizes. i enjoyed myself although i was quite busy and there were good comments from the students yesterday when i had a visit at the school.

thanks so much,

renita bremner, brighter futures coordinator [renita.bremner@yahoo.ca]

Hi Ryan,

Sorry that this has taken so long for me to get back to you but I have to tell you that the DJ's at our wedding were absolutely amazing! They played great music, everyone danced the whole night and had such a blast. They constantly checked-in with me to see when I was ready to do things and I have had many great comments about them. Thanks again for making the day so great. I will refer anyone I can to you guys as well as be sure to call you if any more family events come up!

Yours Truly,

Heather Pelensky [heather.pelensky@gmail.com]

Hi Ryan,

I meant to get back to you sooner, but things have been crazy busy!

The DJ service was AWESOME!! I believe we had Dylan and Drew... both guys were awesome and had a great party vibe all night long! They played what we wanted and what the guests wanted, which was fantastic. People were on the dance floor all night long!! (They couldn't get me OFF the dance floor! And that's exactly what I had wanted!!) They both came up to see how the night was going and if the music was great, which was greatly appreciated! They were both totally interactive with the night. Those two made the night when it came to the music and I just wanted to say thank you so much to the guys and of course to you! It was a fantastic night and we won't be forgetting it anytime soon!

Thanks,

Lynette and Matt [netter11@hotmail.com]

Hi Ryan,

I don't know if Whitney will respond - but I would like to let you know that Britney was awesome. She was fun and helpful and professional.

She helped us out with a technical difficulty that we had - and was always accommodating to find solutions for us.

I do a lot of parties and have always gone away from DJ's because I've never been able to find one that I felt I got value out of - and I definitely did with you guys.

I will definitely be recommend your services to others that ask - and for my own events.

Thanks again for being flexible and having options like the juke box that we used the week earlier. It was all great.

Cori White [Cori.white@cossette.com]

Hi Ryan,

We absolutely loved the service that Kyle and Rich gave us. The kids had a blast and the interaction was wonderful.

Thank you so much for providing such a wonderful service, the kids are still talking about how great it was.

I would actually like to book now for next year!

Thanks,

Lissa

Hi Teresa!

Sorry it took me so long to get back to you. It's been crazy since the wedding. Analyn was AMAZING! Everything went so well for the reception. She played exactly what the crowd wanted and that kept everyone having a great time the entire night! We had lots of people stay until the very end and she was definitely a big part of that! We can't thank you enough for the amazing job!! We will definitely be recommending you to everyone we know!!

Thanks again!!

Andrea [humphrey.andrea@gmail.com]

Hi Ryan!

We were very happy with everything. James was fantastic during our pre-event consultation and even let me listen to clips of the songs chosen to ensure that they were the right version I had wanted. And Chris was absolutely amazing both at the ceremony and reception. He was right on for all the cues and was not only professional but highly energetic to get the crowd going on the dance floor. Your entire company is simply amazing and well organized! :D

Thank you again for helping make our wedding a success!

Cheers,
Mai [mai.adrian@gmail.com]

Hi Ryan,

You know it's funny when you read testimonials and companies such as yours are really put on a pedestal, but I must say I would definitely be one of those testimonials, Chris was absolutely amazing, he made the night totally perfect. I highly recommend him as a DJ to anyone having any type of function. Thanks again for superb service!!! A great time was had by all! We will be using your service again!

Thank you and Have a great day

All the parents were really happy and the kids really enjoyed the event.

Thank you Ryan,

Everything went super well. I don't think our wedding could have gone smoother, and everyone had a great time. Daniel and Heather were very attentive, and didn't hesitate to ask questions. The music they selected was great, so we have no complaints whatsoever.

The limo was also fantastic, I'm very glad we got it. It was ideal for having our whole wedding party together, and our photographers as well. I really enjoyed that part of the evening, driving along with everyone, and we got some great pictures in the limo as well.

We leave on our Honeymoon tomorrow, so we will get back to you when we return. We made sure to get pictures including the limo and driver, so we will make sure you get those as well. And we will definitely recommend Revolution wherever we have the opportunity.

Hi Ryan,

Everything did go really well. Unfortunately I was not there the whole evening but the time that I was there Adam was fantastic, explained how everything worked really well, and kept checking in with me throughout the night. I have definitely not heard any complaints from any of our guests!

Thanks again, Happy Holidays! Academy Place [AcademyPlace@LifeMark.ca]

Everything went good. Probably not the best party for the trainee as our group wasn't very interactive but a good evening had by all. Get back to me this spring for next year's info. Thanks

Ron L'Hirondelle [ronl@sandysoilfield.com]

Thank you for writing. Al went well and Logan was very accommodating. We will keep you informed if we get asked for any more DJ work.

Regards

PETER KAZ [visualconcept_peter@shaw.ca]

Hi Ryan,

Chris was super. He was very interactive and helped bring people to the dance floor. He was also very entertaining and fun to watch. Our thanks to Revolution and Chris for making the evening a great success.

I didn't feel the impact of the "intelligent lights", but the disco ball and LED spotlights created a great dance atmosphere.

We'd like to book Chris back for next year at the same venue (downstairs) once we have a solid date for the party. Big Rock doesn't start their bookings until February, so I'll let you know when we have a confirmed date for the party.

Again, thank you, and thank Chris for a wonderful eventful evening.

Cheers, Virginia Janes [vjanes@reveng.ca]

Hi Ryan,

Our party was a great success; all that work pays off in the end.

Everything did go very well, I've had some emails today from our staff saying they had a very enjoyable evening.

Your guys were great, worked with us and checked in with me to ensure things were going well.

Thanks again Ryan; all the best holiday season.

Good Afternoon Ryan, Thanx for following up with us, Logan was awesome. He was dressed professionally, handled his role with confidence and was flexible with our agenda. Hi Teresa,

Yes, we had an awesome time. Again, James did an excellent job. I will be in touch in the New Year to book for next years party - I just need to confirm the date. We may be looking at November 26, 2011 but I will get confirmation. We will also be requesting James again - staff really enjoy him!

Again, thank you for providing the music to our staff party!

Hello,

I just wanted to thank you for helping make our Christmas Party a success. Everything went very smoothly and professionally and the karaoke was a great way to end the night. Chris and Rebecca were both a lot of fun, they played the right kind of music to keep everyone dancing and singing all night.

Thanks again, and we look forward to seeing you again next year!

I am just doing a follow up and wanted to let you know that Chris was the best DJ I have ever seen in my life time.

He brought life to our Christmas party at Spruce Meadows.

Chris was full of energy and bent over backwards to do anything that we requested. He was extremely professional, courteous and knowledgeable. He went above and beyond what was expected of him.

We will certainly keep him in mind as to future functions.

Thank you

Trish Davenport [trishd@hbicalgary.com]

Hi Ryan,

I think I speak for both of us when I say that Ritch did a fantastic job. We really couldn't have been happier with the service we received. He really made it a night to remember. Please pass on our thanks to him again.

Everyone we have spoken to said they had a really great time, and Ritch getting involved to teach us some of the routine/line dances was a big hit too!

From start to finish I have had nothing but excellent service from everyone at Revolution Entertainment, and we would both like to say thank you for helping to make our day so enjoyable and memorable.

Have a wonderful Christmas!

Good afternoon Ryan,

I just wanted to thank you for helping us out with our staff party this past weekend, James & Kieran were absolutely amazing and our guests just loved them!! We enjoyed them so much we would like to tentatively book them for next year if possible (December 10th)

Also, I had asked James to play early during dinner, what do we owe you for that?

MARIA AMMAR [maria@rivercityeventrentals.com]

Hey Ryan,

We thought the DJ was absolutely wonderful! Josh was really friendly and helpful, and went out of his way to be respectful and careful. We got tons of comments on how awesome the music was- there was so few lulls on the dance floor, and every time I wanted to go sit down something awesome came on and I had to go dance more! We thought it was an awesome price for fantastic service. Thanks so much!

Everything went awesome! Chris did an excellent job, he was very interactive with the crowd, had everybody dancing and did a great job of the announcements. Continuously throughout the night Chris was

punctual in keeping things moving along, as well as making sure throughout the night that Jenn & myself were happy with the way things were going.

Hi Ryan,

We had a great time on the weekend. Brittany did a great job, she was so nice and easy going and did exactly what we asked. The set up looked great and I would most definitely recommend her and Revolution DJs to my friends. Thanks again for everything!

Ashley

aed2@ualberta.ca

We were very happy with Brittany's service. She took the time to introduce herself prior to our event and find out last minute details or possible changes we may want. During the evening she read the crowd well, changing up the music as necessary and responded to requests. The dance floor remained busy until closing time. Brittany was professional and approachable. It was fun to see her enjoying herself as well. A great night for all.

Thank you

Hi Ryan,

I have to give special thanx to Ritch, he went above and beyond. I had mentioned to James that I thought it would be cool if the DJ set up and played from the balcony all night and I was aware that it might not be able to work with all the equipment and I was totally fine with that if it didn't work. But Ritch when he got there made sure that it worked even though he had to make it work and go out of his way! That was so thoughtful of him. He was an amazing DJ. He played all of our requests, and had people dancing all night long. The dance floor was packed all night! Next time I need a DJ I will be calling Ryan and asking for Ritch! I know my girlfriend already booked Revolution DJ for her wedding after seeing how good they were at my wedding!!!

Thank you to Ritch, James, Ryan and Liz at Revolution for being a part of our special day and making it that much better!!!

Kayla and Mike Danderfer [kaylagouveia@hotmail.com]

Hey Ryan,

I just wanted to send a quick note. Adam was awesome!! We had some major issues with some other vendors and he made covering it up WAY easier!! The night would have been tricky without him!! From the music, to the lending of extension cords he was there for us!! Needless to say, I will go on referring you to each wedding and event that I get my hands on!!

Very impressed!!

Hi, Chris and Kerri did a great job of keeping the dance floor alive throughout the night with children, thirty-year-old friends and aunts and uncles. Guest comments continued throughout the weekend about what a good time they had at the wedding so thank you very much, we enjoyed the entire experience. I believe Chris made the photo reel a couple times too.

Hello Adam & Revolution DJ!

We cannot even begin to say how satisfied we are with the DJ Service Adam provided at our wedding on Saturday! He coordinated our ceremony perfectly and made both Blake and I's walk down the aisle amazing!

Everytime we looked onto the dance floor during the reception it was packed! I'm sure if we would have allowed the guests, they would have danced until the sun came up!! Adam was awesome at playing requests (even when I -the bride was harrassing him to play songs and stay later!! ha). He did a fabulous job and we have nothing but amazing things to say!

Our friends and family continue to say how happy and impressed they were with the type of music/songs and just overall attitude Adam had at our wedding!

We thank you so much you truly made our day special and I know our guests have said it was one of the "funnest" weddings they have been to in ages!! We will and have already recommended your services to all of our friends!!

Good Morning Ryan

We could not have asked for better service from the moment we called Revolution Entertainment. The system was a big hit. We even had our maid of honor dedicate a song with the karaoke system at the end of the night.

James set us all up from the beginning and again a big thank you to him.

Sam was accommodating to all of our family and friends, very friendly and just was so much fun the whole night. We 'luv' Sam.

It was also a nice touch to have you drop by. Thank you to everyone ever so much for making our night !!

Ritch was great. He was really attentive to James & I, talking to us before the reception started to find out what we wanted and checking in several times throughout the night to make sure we were happy with how things were going and to see if we had any special requests. There was never a point in the night that the dance floor was empty and my bridesmaid even managed to dance her fake eyelashes right off. We had an amazing time and were really happy with everything.

Thanks so much,

Hi Ryan,

We can't thank you enough for the great service we got this weekend...Kyle was fantastic and everyone seemed to enjoy themselves on the dance floor....Everything we wanted played was played and it was all done on time....I loved the Kyle continuously sought us out to make sure we were on schedule...but he did it in a manner that was professional and never interrupted us from our busy day.....Kyle was very enthusiastic and polite and it was such a relief to not have to worry about that aspect of the reception as it was a very busy evening....thank you again for everything and please pass on our thanks to Kyle!
